American Cars, 1960-1972 J. "Kelly" Flory, Jr. 2014-01-10 The automotive industry underwent great change in the 1960s and the early 1970s. The continuing trend toward market consolidation, the proliferation of sizes and nameplates, and the "need for speed" characterized this period, loosely labeled as the muscle car era. This is an exhaustive reference work to American made cars of model years 1960–1972. Organized by year (and summarizing the market annually), it provides a yearly update on each make's status and production figures, then details all models offered for that year. Model listings include available body styles, base prices, engine and transmission choices, power ratings, standard equipment, major options and their prices, curb weight and dimensions (interior and exterior), paint color choices, changes from the previous year's model, and sales figures. Also given are

assembly plant locations and historical overviews of each model nameplate. The book is profusely illustrated with 1,018 photographs.

Edmund's 1996 New Car Prices Peter Steinlauf 1996 For 30 years, consumers have relied on Edmund's to get the valuable information and advice they need to choose wisely and to save time and money when purchasing or leasing a new automobile. With evaluations, worksheets and follow-up information and buying services, Edmund's enables today's information-age consumers to make and implement informed, cost-effective buying decisions.

The Autocar 1988-06

American Light Trucks and Utility Vehicles, 1967-1989 J. "Kelly" Flory, Jr. 2020-01-15 The truck's role in American society changed dramatically from the 1960s through the 1980s, with the rise of off-roaders, the van craze of the 1970s and minivan revolution of the 1980s, the popularization of the SUV as family car and the diversification of the pickup truck into multiple forms and sizes. This comprehensive reference book follows the form of the author's popular volumes on American cars. For each year, it provides an industry overview and, for each manufacturer, an update on new models and other news, followed by a wealth of data: available powertrains, popular options, paint colors and more. Finally, each truck is detailed fully with specifications and measurements, prices, production figures, standard equipment and more.

The Age of the Muscle Car Clay Fees 2022-02-01 A breed unlike any seen before or since, the powerful, stylish American muscle car defined an era in automotive history. This history traces the rise and fall of these great performance cars from their precursors in the 1950s through the seminal appearance of the Pontiac GTO in 1964 and then year by year to the end in the 1970s. Approachable and nontechnical yet deeply informative, it puts the bygone muscle car in its cultural and aesthetic contexts, describes developments in styling, performance and marketing, and revels in the joys of muscle car ownership in the 21st century.
