Spieltechnik Des Saxophons Marcus Weiss 2010

The Techniques of Violin Playing / Die Spieltechnik der Violine Irvine Arditti 2020-12-17 Irvine Arditti, der außergewöhnliche Geiger, Spezialist für Neue Musik und Primarius des phänomenalen Arditti Quartetts, und der Komponist und Dirigent Robert HP Platz haben sich zusammengetan, um über zeitgenössische Violintechniken zu schreiben. Detaillierte Erklärungen des technisch auf der Violine Möglichen werden hier für Interpreten, aber auch für Komponisten gegeben. Dabei wird die Virtuosität einer neuen Generation von Solisten berücksichtigt, die durch ihre außerordentlichen Fähigkeiten den Weg zu einem tieferen Verständnis sowohl von klassischer als auch von neuer Musik geebnet haben. Die Kapitel zur Bogentechnik, zum Vibrato, Pizzicato, Glissando, zu Flageolets, Tabulaturen, zum Rhythmus und zu speziellen Aspekten der elektronischen Klangerzeugung werden durch zahlreiche anschauliche Notenbeispiele und Schemata illustriert. Besonders hilfreich sind die Videoaufnahmen, auf die aus dem eBook heraus verlinkt wird. Darin realisiert und erläutert Arditti selbst die im Buch beschriebenen Techniken auf der Geige. Kapitel zu den Grundlagen der Violintechnik und zu Irvine Ardittis ganz persönlichen Erfahrungen mit namhaften Komponisten machen das Buch auch für Nicht-Geiger interessant.

The Trouble with Henry and Zoe Andy Jones 2016-07-01 A heart-warming and funny novel about love and the choices we make. How bad choices can lead to good things, and how life is never what you expect it to be. Perfect for fans of One Day and Me Before You, from the author of The Two of Us. Henry and Zoe have more in common than they realise. For a start, they both have pasts they'd rather leave behind. After jilting his childhood sweetheart on the eve of their wedding, Henry makes a break for London. He has no friends, no job, no home, no plan. Zoe has great friends, two jobs, a new house, and a big scary plan. After a traumatic, life-changing event, she plans to leave London and spend a year travelling.

Alone. If Henry and Zoe had met one year ago, things might have worked out differently. But that's not the way life works. They meet seven months after their worlds have been turned upside down. And four months before Zoe is due to climb on a plane... What readers said about Andy Jones's first novel, the bestselling *The Two of Us*: 'Frank, funny and bittersweet, *The Two of Us* is a love story about what happens when a relationship looks all wrong but feels all right. This is a book with its heart firmly in the right place' Louise Candlish 'Touching, funny and real, Andy Jones's novel about what happens after the love story had me laughing one minute and crying the next. I loved it' Jane Costello 'At my age I am still amazed when a writer with the gift of the written word can make me care about a character so much that I can be reduced to tears one minute and laughing the next – but this author manages to do just that' Sun 'Honest, heartfelt and real, Jones has poured heart and soul into his words ... *The Two of Us* is a beautiful read about love, friendship and life!' *The Love of a Good Book* 'A really good read and amazingly impressive from a debut author. Have some tissues ready but also be prepared to hold your breath and laugh your socks off' *Fabulous Book Fiend* 'It is a truly inspirational and emotional read, one which will stay with me for a long time and is definitely one of my top reads of 2015' *Compelling Reads* 'Like *One Day* and *Me Before You*, *The Two of Us* almost reads like a screenplay for a hit film and I would not be surprised if we see this on the big screen in a year or two.' Hollikins, *Goodreads* 'You'll have a lump in your throat more than once and you'll shade more than one tear but it will also make you laugh and will warm your heart. An outstanding debut' Alba in *Bookland* 'A damn fine book and has already barged its way into my top ten of the year so far and I don't foresee it budging. Well done, Andy Jones' Lisa Talks About... 'A beautifully written story with a lot of emotions and adorable scenes' Sky's Book Corner 'A lovely story, well written and tender, both heart-warming and heart-breaking. I haven't read a book for a long time that made me feel happy and sad by the end' Melanie Trevelyan, *Goodreads*

The Dance Music Manual Rick Snoman 2012-09-10 Whatever your level of experience, *The Dance Music Manual* is packed with sound advice, techniques and practical examples to help you achieve professional results. Written by a professional producer and mixer, the book is organised into three accessible sections: Technology and theory If you're relatively new to the technology and theory behind today's dance music, Rick Snoman discusses the basics of MIDI, synthesis and sampling, as well as music theory, effects, compression, microphone techniques and sound design. Dance genres This section covers techniques for producing different musical styles, including Trance, Trip Hop, Rap and House. Snoman takes a close look at the general programming principles behind drum loops, basses and leads for each genre, in addition to the programming and effects used to create the sounds. Mixing and promotion Snoman guides you through the art of mixing, mastering, remixing, pressing and publishing your latest masterpiece. This includes a look at how record companies operate, copyrighting your material, pressing your own records and the costs involved. Finally, guest contributors offer essential advice on DJ'ing and how to create your own website to promote your music. The CD provides demo tracks showing what can be achieved when applying the advice contained in the book, including examples of the quality difference before and after mixing and mastering. The CD also contains free software demos for you to download. For even more advice and resources, check out the book's official website www.dancemusicproduction.com
